The Phonics Dance!™

See It. Say It. Dance It. Read It! Write It!

Six Steps to Literacy in the Primary Grades

With Presenter and Author Ginny Dowd

A Reading Workshop: Grades K - 3

Learn a new approach to teaching Language Arts across the curriculum!

The Phonics Dance!™ is a quick and easy way to teach phonics and increase the reading and writing skills of each and every student in your classroom. It is multilevel learning at its best. Guaranteeing success for all students, regardless of their developmental level. This is a nationally recognized program which is researched based and meets the standards for the Leave no Child Behind Law.

Phonics instruction made easy and fun! This seminar will motivate you to work smarter not harder, demonstrating how you can take students beyond their grade level in phonics instruction using just fifteen minutes a day!

This Six Step Program offers learning through cost free strategies that incorporate rhyme, movement and chant. Building on phonemic awareness, students become confident, successful writers. In the process they develop strong decoding skills through the use of "hunking and chunking" to build poise and fluency in reading. Learn how to use your word wall to teach all your language arts concepts!

Observe demonstrations and samples of classroom tested reading and writing strategies that cross the curriculum "dancing" all the way!

If you are a primary grade teacher you do not want to miss this opportunity!
